

# GALENA USD 499

*-Committed to Excellence-*

Galena USD 499 seeks to meet the evolving needs of our students and to support every student to succeed in school and in life. As part of our educational approach and dedication to our students, and in alignment with the Kansas Social, Emotional, and Character Development (SECD) Standards, our district uses student surveys to better support and serve our students. We believe student voice is essential to develop the learning environments that support every student in our community.

Our district works in partnership with Panorama Education to run our student survey. Our district uses a subset of questions from the Panorama Student Survey and the Panorama Social-Emotional Learning Survey that are most important to our school context and community.

Topics to be surveyed during the 2023-2024 school year include:

- Growth Mindset
- Classroom Effort
- Emotion Regulation
- School Climate
- Teacher-Student Relationships

Each survey question is provided below.

Galena USD 499 joins many others across Kansas each year in using the Panorama's survey platform to support the social, emotional, and character development of our young Kansans.

Written consent through an electronic signature is collected during the enrollment process. Parents and/or guardians will also provide written consent again during our fall parent/teacher conferences. A link may also be sent out to collect signatures from those who do not attend conferences.

Do you have questions about our district's student survey? Please contact the school counselor in your student's building.
